Welcome Speech by Director Shradha bansal - 3rd Annual Day.

A very good afternoon to one and all. On behalf of the whole team of Baloon Kids School, I have great pleasure in this wonderful afternoon in welcoming our chief guest Mrs. Bhise, Assistant professor, electronics and communication, who has kindly consented to be the chief guest of our annual day ,and also really happy to welcome other distinguished guests and parents who also consented amidst their tight schedule to share every movements of this wonderful function with us ,and also welcome our teaching and non teaching staff. In today's celebration our main heroes are our students so welcoming them and their parents too along with other ladies and gentlemen. The journey with the students so far has been very exciting and our staff puts its best efforts to find out the hidden qualities of each and every student. It is very important to boost up the confidence level of the students so that issues such as stage fear, not mixing with others, command on the language etc. is totally eradicated from an early age. Our staff of Baloon Kids being qualified, sincere and always determined handle the children with utmost love and affection and make the children feel at home so that they are comfortable in interacting with the teachers. So without wasting much time, let us begin and unfold the various events awaiting. I hope you all enjoy the afternoon while our little angels spread their magic by displaying their talents. Thank you.
